AVAILABILITY & BACK ORDERS

At the time an order is placed, you will receive a sales order with availability and back order dates. It is the customer's responsibility to review the sales order and the information contained in it. If you have any questions about your order, or want to change it, please contact us by phone or e-mail, within 24 hours of receiving the order confirmation. We will be glad to help you with any questions you have! If we have not received any notification of changes within this 24-hour period, we will consider the order accepted and proceed with the shipment. Should back order dates change, we will do our best to notify you in a timely manner.

MINIMUM ORDER

RETAIL LOCATIONS: We have a \$6,500 opening order minimum for retail locations (stores/showrooms). After your opening order has been placed you are considered a Current Account and we have no minimum. However, orders under \$500 are subject to shipping surcharges. Current Accounts must order at least \$6,500 per calendar year to maintain their status.

DESIGNERS: We have no minimum order for designers. However, orders under \$500 are subject to shipping surcharges.

DROP SHIP/RESIDENTIAL DELIVERY

Our standard shipping rates are business-to-business (warehouse or commercial receiver included). We can drop ship or deliver to a residence for an additional charge, which will be added to the applicable freight charges for your "ship to" address. These charges cover a curbside delivery only. Any accessorial charges related to delivery from the freight carrier are the responsibility of the customer and will be billed and collected by Made Goods. These include lift gate fees, change of address fees, residential fees, redelivery fees and fees associated with the refusal of a shipment.

WHITE GLOVE SERVICE

White Glove is an enhanced delivery service in which the freight carrier will provide extra services such as unpacking product, placing goods, and disposal of packaging. Please contact us for a quote if you are interested in this form of delivery. Certain pieces require white glove delivery if shipping directly to a residence. Additional fees will apply.

EXPEDITED DELIVERY

Orders that require shipment within three (3) business days of order receipt will incur an expedited processing fee in addition to applicable freight charges. Please contact us for an expedited delivery quote. We will make every effort to meet your requested date, but it is not guaranteed.

INTERNATIONAL ORDERS

Shipping costs for international orders will be quoted based upon your order. Please note our quotes for shipping outside the United States do not include duties or taxes. They are the responsibility of the recipient of the merchandise, and we are unable to provide an estimate for duties or taxes. If customers choose to use their own freight forwarders, they are responsible for making their own shipping arrangements. Payments will be accepted via credit card or wire transfer for all international orders.

CARRIER DAMAGES

Claims for damage to products that do not arise from defects in material or workmanship are the responsibility of the carrier. If the shipment arrives with visible exterior damage (crushed box, broken crate, moisture, etc.) note the damage in writing on the carrier's delivery receipt before you sign for the shipment and release the delivery

driver. A claim for shipping damages will not be accepted by Made Goods unless the damages are noted on the carrier's delivery receipt. Within five (5) business days of receipt, you must (a) unpack and thoroughly inspect shipment for damaged items, (b) **SAVE ALL PACKAGING UNTIL CLAIM IS RESOLVED** and (c) email info@madegoods.com to report damaged items and to receive a return authorization number (RA#).

We will, at our discretion, repair or replace the item. If damaged item(s) are to be replaced, the items must be returned prior to shipment of a replacement. For all returned products, only use the shipping documents provided by Made Goods. Shipping reimbursement will not be made for use of non-authorized shipments. All returns must be properly packaged with original packaging (unless otherwise instructed), clearly labeled with correct RA# and scheduled for pickup within five (5) business days of receipt of shipping documents.

RETURNS

It is within our sole discretion as to whether to accept returns of merchandise. Items returned without our prior authorization will be refused. Returns will not be accepted if more than 30 days after the date of delivery. Returned items must be in their original condition and packaging, and you shall prepay and be liable for all charges in connection with the shipping of returned goods, including insurance. The 25% restocking fee will be kept on all returns of merchandise that is not defective.

CANCELLATIONS

Cancelled orders that have already been packed are subject to a 25% restocking fee.
