FAQ

CAN YOU TELL ME ABOUT YOUR PRODUCTS?

Made Goods products are handmade using natural materials. They are not mass-produced. Variation between products should be expected.

While we strive to present the most accurate portrayal of all Made Goods products, please note that there will be differences in color and/or finish between any representation of the products (printed and online) and their actual appearance. This is due to several factors. The natural materials and handcrafting involved in creating our one-of-a-kind collection means that we are selecting one item for photography. The process of photographing our collections and printing or presenting the images inherently causes variation due to lighting, the color of the wall, the type of paper, or the calibration of your screen.

A physical sample of the material used in a piece is the best way to gain an accurate representation of an item. Made Goods stocks sample swatches of more than 350+ finishes that can be purchased. We offer sample swatches in order to provide the utmost accuracy for your pre-purchase review. Please reach out to our customer service team with any questions or requests for more product information.

IS IT POSSIBLE TO SELL YOUR PRODUCTS ONLINE?

Made Goods is happy to allow our current retailers to sell the products they stock on their website. To protect our retail partners, we do not sell to online only retailers who do not stock products. Contact us to become an ecommerce partner.

HOW DO I REQUEST A COPY OF OTHER CATALOGS OR A PRICE LIST?

To receive a copy of our other catalogs or a price list, you must have an established account with Made Goods. If you have an account and need replacement material, please contact us.

All returns must be properly packaged with original packaging (unless otherwise instructed), clearly labeled with correct RMA# and scheduled for pickup within five (5) business days of receipt of shipping documents. This is our only limited warranty or liability. Our limited warranty does not cover: (a) normal wear and tear, (b) product variations, (c) defects or damage occurring due to, or following, product modification (d) damage caused by shipping/transit and (e) damage caused by misuse, abuse, or negligent treatment of merchandise or (f) pieces moved from their original delivery location. Our limited warranty is void if repairs or modifications have been attempted by any person without our consent. Our limited warranty is limited to the original wholesale purchaser. In no event shall we be liable for incidental or consequential damages in connection with the purchase or use of any merchandise. This limited warranty provides your exclusive remedy for any defective product.

THE FOREGOING LIMITED WARRANTY IS MADE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY AFFIRMATION OF ANY FACT OR REPRESENTATION WHICH EXTENDS BEYOND THE LIMITED WARRANTY SET FORTH ABOVE AND ANY SUCH WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED.

CARRIER DAMAGES:

Claims for damage to products that do not arise from defects in material or workmanship are the responsibility of the carrier. If the shipment arrives with visible exterior damage (crushed box, broken crate, moisture, etc.) note the damage in writing on the carrier's

delivery receipt before you sign for the shipment and release the delivery driver. A claim for shipping damages will not be accepted by Made Goods unless the damages are noted on the carrier's delivery receipt. Within five (5) business days of receipt, you must (a) unpack and thoroughly inspect shipment for damaged items, (b) SAVE ALL PACKAGING UNTIL CLAIM IS RESOLVED and (c) email info@madegoods.com to report damaged items and to receive a return authorization number (RMA#).

We will, at our discretion, repair or replace the item. If damaged item(s) are to be replaced, the items must be returned prior to shipment of a replacement.
